Presentation of Artwork - Artwork in NVAA shows must be framed in a professional manner. Mats must be clean and neatly cut, and glass must be clean and free from chips and scratches. Frames must be securely wired. Clip-secured glass frames are unacceptable, as are 'saw-toothed' type hanging clips. 'Gallery wrap' paintings are acceptable if the image continues around the edges and staples do not show.

Picking Up Artwork- NVAA members must pick up their artwork at the day and time specified at the end of every show. The NVAA is not insured, and can not be held responsible for damage to unclaimed artwork. The NVAA Board reserves the right to refuse admission to future shows to any member who continues to neglect to pick up his or her artwork on time!
